

**Drainage Board Meeting**

April 7, 2015

**Present:** Al Logsdon, David Gogel, Jim Seiler, Chuck Painter, Surveyor Stanley Herron, Elaine Jones, Auditor Autumn Winkler

Meeting was called to order by President Al Logsdon at 2:10 P.M.

**Minutes**

Seiler made a motion to approve the minutes from the March 3, 2015 meeting. Gogel seconded the motion, motion was approved.

**Surveyors Report**

Herron stated there is not a whole lot going on and everywhere is flooded. The ditch in the river bottoms is dug, but the spoil isn't leveled yet. It has been a wet Spring so far and we may have to wait until Fall on some jobs, like in previous years. Herron received a call from a gentleman on SR 70, complaining that a neighboring property had put in a lane going up a hill and now there is lots of mud running across his property. Herron feels that a silt fence needs to be put up, but doesn't feel that is his jurisdiction. He will speak with the ASCS office about their thoughts on this issue and if any action can be taken.

Seiler made a motion to adjourn. Gogel seconded the motion, motion was approved.  
Meeting was adjourned at 2:16 P.M.
